Katie & Jackson's

WEDDING WEEKEND

UNICO 20°87° RIVIERA MAYA

We are so excited to celebrate with you!

We truly appreciate the time, effort, and sacrifices you are making to be there with us. As Jodi begins sending more details closer to the trip, we wanted to consolidate the essentials into one easy place. Here is a one-stop guide with helpful information and tips as you plan! Never hesitate to reach out to Jodi, Katie, or Jackson with questions.

All-Inclusive Resort

Your stay is all-inclusive! Food, drinks, restaurants, and room service are included. Optional upgrades and select items may cost extra, but these will be clearly identified. If you're unsure whether something is included, just ask!

Restaurants & Resort App

We recommend making dinner reservations in advance (up to 30 days before arrival) using the PAM Hotels app with your internal Unico confirmation number. (Jodi will share this about 45-60 days prior). Walk-ins are accepted, but reservations help avoid longer wait times. Use the app to view and book resort activities, spa services, and other offerings, as well as order poolside food and drinks.

Airport Transportation

Round-trip transportation to and from the airport is provided. Detailed instructions (including where to meet your driver) will be shared with your final travel documents. Drinks, including alcoholic drinks, are permitted on the shuttle — should you want to get the party started right away!

Passports

Please make sure your passport is valid for at least six months after your travel dates.
While the US Department of State does not require six months for travel to Mexico, some airlines do, so six months is recommended.

Typical Weather in February

- **Daytime:** 80–86°F
- **Evenings:** 68–72°F (occasionally cooler)
- **Ocean:** 79–80°F (great for swimming!)

We recommend bringing a cover up for the evenings.

Wedding Events

All of our wedding events will take place on paved surfaces (not on the sand). They will be close to beach access if you'd like to step out for photos or enjoy the beautiful views!

Tipping

Tipping is customary and appreciated. You can tip in USD at the resort — we recommend bringing small bills, as the resort is typically not able to exchange larger bills.

Gifts

No gifts, physical or monetary, are requested. We do not have a registry or honeymoon fund. Your presence is the best gift we could ask for. Cards are always welcome!

Staying Connected

Wi-Fi is included throughout the resort, so you likely won't need an international plan while on property. Airport shuttles are also covered. If you plan to leave the resort, check your carrier's Mexico coverage or consider a temporary international plan.

- Enable Wi-Fi Calling before you travel.
- Use messaging and calling apps over Wi-Fi.

Early Arrivals & Late Departures

If you arrive before check-in or have time after checkout, you can enjoy the resort amenities while you wait. The front desk can hold your luggage.

Legendary Vacation Club

The resort offers a program called the Legendary Vacation Club. You may be approached about this program, especially during check-in. You are under no obligation to participate in any conversations or attend a presentation. Jodi will send additional information on how to avoid timeshare pitches before travel.

Smoking Policy

The resort has three designated smoking areas:

1. Close to the bell boys podium, outside the main lobby
2. Next to the access doors from the lobby to the rooms
3. Beach area
